Swing Shift

This year we're shifting Swing Shift again to Contra, Contra and more Contra!

Diane Silver, well-loved dance caller extraordinaire from the Asheville area, also known as Diane "This Much Fun Can't Be Legal" Silver, will be stepping up to the mic and delighting us with her lovely calling all weekend.

And the Band? Well, we'll be rockin' to the rowdy sound of **Euphor: Matt Turino, Tom Turino, Sam Payne** and **Michael Vallient**.

Euphor plays sweet-sounding ramped-up Old Time music with a hint of Cajun, building up multi-layers of sounds to crescendo into well... Euphoria!

Warm up and join us for two days of music and dance. No advance registration is required or even possible; however we do have an all-day Saturday price of \$20 (\$14 for students) so come and do it all!
